

## Longevity Prayer for Chagdud Tulku Rinpoche Yangsi

CHHI MED KU NYE PAD MA SAM BHA WA TZA SUM RAB JAM KHYEN TZE NU PA YIY

Padmasambhava, who attained the kaya of deathlessness — through the knowledge, love, and energy of the entire vast array of the Three Roots,

GAR GYI WANG KHYUG CHHOG GI TRUL PAI KU KU TSE TAN CHING DZAD T'HRIN T'HAR CHHIN SHOG  
may the supreme emanation of the powerful lord of the dance have a stable life, and carry his enlightened activities to perfect consummation.

*On the auspicious occasion of Losar, the Iron Tiger Year, Jigme Tromge Rinpoche adapted the longevity prayer written by Kyabje Dilgo Khyentse for Chagdud Tulku Rinpoche (1930-2002) for the Chagdud incarnation.*
